

School Sport Premium 2016/17

This is money given to schools to enhance the provision of sports for pupils in KS 2

Finance

In 2015/16 the school received **£9200**

In 2016/17 the school will receive approximately **£9120**

What the money was used for in 2015/16

- Increasing the number of weekly clubs in school to give pupils more choice. These activities over the year have been Hockey, Netball, Football, Rugby Union, Athletics, Cricket, Rounders, Badminton. Pupils have also had the chance to play fixtures against other schools.
- They have also had extra sporting competition in the fields of skipping, indoor athletics and cross country
- Providing cover PE teachers so more pupils could take part in offsite sporting activities. For example indoor athletics, cluster school competitions, netball, hockey and dance.
- Buying in expert coaches to upskill staff on different sports. For example dance in year 5 PE lessons.
- Subsidising the residential trip to High Borrans outdoor centre so pupils could experience high quality outdoor activity.
- Paying for 2 UEFA B coaches to give 80 pupils an advanced football coaching course of 3 days during the summer term and sign posting to external clubs to continue their progress in football.
- Taking all Year 6 pupils to an outdoor education centre as a motivational treat for their hard work during the SATS.

The impact of the money has been

- The 70 KS 2 pupils who visited High Borrans developed self-confidence, team building and outdoor education skills.
- At the point of October 2015 55% of Key stage 2 have already been involved in physical activity.
- At the point of October 2015 84% of Key Stage 2 pupils are currently involved in physical activity outside of school. This includes regular sports but also recreational activities including swimming, walking and cycling with parents.
- The legacy of the school sport money shows 69% of KS 3 have undertaken a school based club since September. 89% of KS3 pupils also take part in sport and recreational activities outside of school.
- The Head of Department has strengthened his position as a middle leader and is proactive within the school.
- The curriculum is broad and balanced with good variation brought about by the skills of PE staff.
- At the end of Key Stage 2 73% of Key stage 2 pupils had achieved the end of Key Stage expectation for the new curriculum.
- At the end of Year 5 80% of pupils has met the end of Year 5 curriculum expectations
- Pupils in Year 6 made 3.8 steps on our bespoke tracking system last year.
- Pupils in year 5 made 4.0 steps on our bespoke tracking system last year.

What the money will be used for in 2016/17

- Increasing the amount of extra-curricular opportunities of different sports for KS 2 pupils by employing coaches to enhance choice in this area. This year we will utilise football, hockey, cricket, rugby, boxing and badminton coaches.
- Paying supply teachers to take lessons while PE colleagues take pupils to a wide range of sporting fixtures / festivals including skipping, cricket, rugby and athletics.
- Buying in expert coaches to upskill staff on different sports. For example cricket, dance and hockey in year 5 PE lessons.
- Subsidising the residential trip to High Borrans outdoor centre so pupils could experience high quality outdoor activity. (Year 5)
- We will be taking all year 6 pupils to an outdoor activity day centre where they can experience team building skills and develop their positive communication with peers. This was will also be used as a motivational treat for the hard work in preparing for SAT tests. We expect his event to have an impact on academic outcomes also as it will help to keep motivation high.
