

## School Sport Premium 2017/18

This is money given to schools to enhance the provision of sports for pupils in KS 2

### **Finance**

In 2015 / 16 the school received £9200

In 2015/16 the school will receive approximately £9120

In 2016/17 the school will receive a higher amount at the 1 April 2018 (TBC)

### **What the money was used for in 2016/17**

- Increasing the number of weekly clubs in school to give pupils more choice. These activities over the year have been Hockey, Netball, Football, Rugby Union, Athletics, Cricket, Rounders, Badminton. Pupils have also had the chance to play fixtures against other schools.
- They have also had extra sporting competition in the fields of skipping, indoor athletics and cross country
- Providing cover PE teachers so more pupils could take part in offsite sporting activities. For example indoor athletics, cluster school competitions, netball, hockey and dance.
- Buying in expert coaches to upskill staff on different sports. For example dance in year 5 PE lessons.
- Subsidising the residential trip to High Borrans outdoor centre so pupils could experience high quality outdoor and adventurous activity.
- Taking all Year 6 pupils to an outdoor and adventurous education centre as a motivational treat for their hard work during the SATS.

### **The impact of the money has been**

- The 70 KS 2 pupils who visited High Borrans developed self-confidence, team building and outdoor education skills.
- The Head of Department has strengthened his position as a middle leader and is proactive within the school driving whole school initiative and working in a cross curricular manner. Examples of this are 'The School Sports Report' for all pupils in Year 6 mentored by Year 8 pupils. Also assertive mentoring specific pupils through the medium of a strong sporting role model.
- The curriculum is broad and balanced with good variation brought about by the skills of PE staff.
- At the end of Key Stage 2 (July 2017) 86% of Key stage 2 pupils had achieved the end of Key Stage expectation for the new curriculum.

- At the end of Year 5 75% (July 2017) of pupils has met the end of Year 5 curriculum expectations
- At November 2017 the following percentage of pupils had participated in clubs at lunch and after school.

Year 5 (149 pupils) - 92% of pupils have been to at least one club

Year 6 (113) - 70% of pupils have been to at least one club

Year 7 (136) - 74% of pupils have been to at least one club

Year 8 (138) - 71% of pupils have been to at least one club

### **What the money will be used for in 2017/18**

- Increasing the amount of extra-curricular opportunities of different sports for KS 2 pupils by employing coaches to enhance choice in this area. This year we will utilise football, hockey, cricket, rugby, boxing and badminton coaches.
- Paying supply teachers to take lessons while PE colleagues take pupils to a wide range of sporting fixtures / festivals including skipping, cricket, rugby and athletics.
- Buying in expert coaches to upskill staff on different sports. For example cricket and dance in year 5 PE lessons.
- Subsidising the residential trip to High Borrans outdoor centre so pupils could experience high quality outdoor activity. (Year 5)
- We will be taking all year 6 pupils to an outdoor activity day centre where they can experience team building skills and develop their positive communication with peers. This was will also be used as a motivational treat for the hard work in preparing for SAT tests. We expect his event to have an impact on academic outcomes also as it will help to keep motivation high.
- All pupils in Year 6 will visit clip and climb indoor climbing experience to build self-confidence and develop their body awareness.
