Dear Parent/Carer,

Charging and Remissions Policy

We are sharing with you our 2025 / 26 Charging & Remissions policy (this is available to view on our school website)

At MBMS we enrich the curriculum with additional trips and experiences. We rely on parental contributions to support these events to be able to financially afford them.

All contributions are voluntary from parents / carers (this is not the case for out of school residential trips) but without this it's difficult to sustain these events and this may cause events to be cancelled if enough funds are not collected.

We will always look to help families in a discreet way who may need financial assistance. Families entitled to Pupil Premium funding for their child can access these events at a reduced rate as we can use the PP grant money for a percentage of the total cost.

Yours sincerely

Mr J Newport
Headteacher
