Artist Bedrooms

Your Task

Research a famous artist of your choice.

Find out what type of art they make.
Is it sculpture, painting, fashion,
photography, textiles?

Collect some images of their work to help
you.

Design a bedroom for that artist that
reflects their work.

You could use paper and pens/ google
sketchup or other ideas to help you
design.

Make a model of your artist bedroom
using a cardboard box as a base – make it
look amazing.
