Dear Parent/Carer,

We would like to inform you of upcoming events and reports that will provide valuable information about your child's attainment and progress over the course of the school year.

All pupils have one parental consultation evening that provides you with an opportunity to discuss your child's progress with his/her class teachers. You will also receive an interim report as well as a full end of year report.

This year, we have introduced a new, intuitive and easy to use online appointment booking system for parents' evenings. This allows you to choose your own appointment times with teachers and you will receive an email confirming your appointments. *Online booking will be available to you two weeks prior to each parental consultation meeting.* A guide on using the system will be provided at this time and full details will also be published on the school website.
