

REVIEW

We will assess how well the support we put in place helped the child to meet the outcomes we set. We will use our improved understanding of your child's needs to improve the support we offer.

ASSESS

If your child is not making the expected level of progress, we will make an assessment to find out what strengths and difficulties your child has. We will ask for input from you and your child, as well as getting help from external professionals where necessary.

DO

We will put our plan into practice. The subject teachers, with the support of the SENCO, will be responsible for working with your child, and making sure the support we put in place is having the impact we intended.

PLAN

In discussion with you and your child, we will decide what outcomes we are hoping to achieve. We will make a plan of the support we will offer your child to help them meet those outcomes. We will make a record of this and share it with you and all relevant school staff.
